

FUNCTIONS AND EVENTS

Mojito Joe's is a unique venue for locals and those adrift. Joes beach side shack is influenced by the casual elegance of 1950's Americana, garnished with Hawaiian and Polynesian pop culture.

By blending these specific styles of food, drinks, and the décor we have created a Tiki inspired escape for locals and those adrift to enjoy

Our food is best described as "share-fare" and is a combination of Pacific Islander, Creole, Cajun, Latin and Asian cuisines. Drinks are mostly rum-based, complex and traditionally punchy rather than sweet.

Half the fun of holding a function or event celebratory event is enjoying the company, food, and drinks without the stress. With decades of event experience we will manage everything we can to make the organising and overseeing of your event as simple as possible.
